

## **THE GREEN LTC - MARCH 2018**

Dear Members,

We are fast approaching our club's accounting year end. Your annual subscription becomes due on 1st April. Renewal forms and associated paperwork will be available for you in the pavilion from the second week of March. The renewal form can also be found on the club's website.

Parents with children in the coaching programme will receive their renewals directly from Claire or Joe. This means there will be no renewal paperwork for them in the pavilion. Parents who also play with their child outside of coaching activity should request a standard renewal form from their coach which they should complete and pay the standard junior age determined subscription and the Accompanying Adult rate.

### **MEMBERSHIP FEES**

At our last AGM in September 2017 membership rates for 2018-2019 (April to March) were left unchanged.

### **PAYMENT**

With the renewal paperwork in the pavilion will be an addressed envelope to Phil Toze, our Treasurer. You can post your subscription directly to him or leave it with a committee member or post it in the RED BOX next to the vending machine. Please make sure your payment is made on or before 31st March.

### **INTRODUCTION SCHEME and JUNIOR COACHING**

We welcome new members and the Introduction Scheme with its £50 award continues to be very successful. Details are on the club's website and also in the pavilion.

We have been offering juniors who join the coaching programme free membership in the club year that they join. At least 73 children are now receiving regular weekend coaching on Saturday or Sunday mornings compared with 45 last year. Our coaches Claire and Joe have done a wonderful job in building this excellent platform for future growth. To remain in the programme after their first year we ask the parents to pay a small contribution to the club in addition to their child's coaching fees. Also this year our coaches are planning more inter-club competitive tennis with the emphasis on enjoyment as much as that of competing.

### **WIMBLEDON TICKET BALLOT**

Entry will be available towards the end of March and the draw will be held in April. TBA.

### **DON'T FORGET - A HEALTHY LIFESTYLE**

Tennis is rated as one of the healthiest sports for longevity and general well being. Have a happy playing year.

Best wishes to you all.

Phillip Bebb Chairman
